Your guide to the FireSafety & Security Event 2024
April 10th and 11th at Brabanthallen Den Bosch

Dear Exhibitor,

First we would like to welcome you as an exhibitor for the third edition of the FireSafety & Security Event 2024. The FireSafety & Security Event, organized by Federatie Veilig Nederland, Techniek Nederland, and the VEB, once again brings together the sectors of fire safety and security.

As we approach the event on April 10th and 11th, we will keep you informed of important information and updates through this newsletter. The third edition will be another great opportunity to showcase your organization to a diverse audience of professionals from the fire safety and security industry. With just under 5 months to go and 70 exhibitors already registered, we can expect a wide range of products, technologies, and services.

If you have any questions or suggestions for the newsletter, please don't hesitate to contact us. We look forward to working with you to create a fantastic FireSafety & Security Event.
